LEASE OF RAILROAD EQUIPMENT

Dated as of March 1, 1971

between

MISSOURI PACIFIC RAILROAD COMPANY

and

MERCHANTS INVESTORS INC.

LEASE OF RAILROAD EQUIPMENT dated as of March 1, 1971, between MISSOURI PACIFIC RAILROAD COMPANY, a Missouri corporation (hereinafter called the Lessee), and MERCHANTS INVESTORS INC., a Missouri corporation (hereinafter called the Lessor).

WHEREAS, the Lessor and the Lessee have entered into a Conditional Sale Agreement dated as of March 1, 1971 (hereinafter called the Security Documents), with GENERAL MOTORS CORPORATION (Electro-Motive Division) (hereinafter called the Builder), wherein the Builder has agreed to manufacture, sell and deliver to the Lessor the railroad equipment described in Schedule A hereto;

WHEREAS, the Builder has assigned or will assign its interest in the Security Documents to FIRST TRUST COMPANY OF SAINT PAUL, as Agent (hereinafter, together with its successors and assigns, referred to as the Vendor); and

WHEREAS, the Lessee desires to lease all the units of said equipment, or such lesser number (hereinafter called the Units) as are delivered and accepted and settled for under the Security Documents on or prior to June 1, 1971 (hereinafter called the Cut-Off Date), at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but, upon default of the Lessee hereunder or under the Security Documents, subject to all the rights and remedies of the Vendor under the Security Documents:

§ 1. *Incorporation of Model Provisions.* Whenever this Lease incorporates herein by reference, in whole or in part or as hereby amended, any provision of the document entitled "Model Lease Provisions" annexed to the Security Documents as Part II of Annex C thereto (hereinafter called the Model Lease Provisions), such provision of the Model Lease Provisions shall be deemed to be a part of this instrument as fully to all intents and purposes as though such provision had been set forth in full in this Lease.

§ 2. *Delivery and Acceptance of Units.* § 2 of the Model Lease Provisions is herein incorporated as § 2 hereof.

§ 3. *Rentals.* The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease 30 consecutive semiannual payments, payable on June 1 and December 1 in each year commencing with June 1, 1971. The first such payment shall be in an amount equal to .02705% of the Purchase Price (as defined in the Security Documents) of each Unit subject to this Lease for each day elapsed from and including the date such Unit is settled for under the Security Documents to June 1, 1971 plus an amount equal to 4.8686% of the Purchase Price of each such Unit; the next 29 semiannual payments shall each be in an amount equal to 4.8686% of the Purchase Price of each such unit.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease in Federal funds (including but not limited to the payments required under § 7 hereof) for the account of the Lessor, c/o First Trust Company of Saint Paul, First National Bank Building, St. Paul, Minnesota 55101 on or before the date upon which payments to the Vendor under the Security Documents are due and owing. On or before such date, First Trust Company of Saint Paul is hereby authorized to apply funds received hereunder in Federal funds to make such

payment to the Vendor (or to any assignee of the Vendor pursuant to Section 7 of the Agreement and Assignment between the Builder and the Vendor, dated as of March 1, 1971, under which the Security Documents are being assigned to the Vendor). Such payments shall be applied by the Vendor to satisfy the obligations of the Lessor under the Security Documents payable on the June 1 and December 1 on which such payments are due hereunder and, so long as no event of default under the Security Documents shall have occurred and be continuing, any balance shall be paid to the Lessor.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or set-off against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documents, including the Lessee's rights by subrogation under Article 8 thereof, or the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency, bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall con-

tinue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 4. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of §§ 7 and 10 hereof, shall terminate six months after the date on which the final semiannual payment of rent in respect thereof is due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder, or under the Security Documents in its capacity as Guarantor or otherwise, are subject to the rights of the Vendor under the Security Documents. If an event of default should occur under the Security Documents, the Vendor may terminate this Lease (or rescind its termination), all as provided therein, unless the Lessee is not so in default under this Lease or under the Security Documents.

§ 5. *Indentification Marks.* § 5 of the Model Lease Provisions is herein incorporated as § 5 hereof, except that nothing contained in such § 5 shall bar the Lessor from having its name, initials or other insignia on the Units.

§ 6. *Taxes.* § 6 of the Model Lease Provisions is herein incorporated as § 6 hereof.

§ 7. *Payment for Casualty Occurrences; Insurance.* In the event that any Unit shall be or become worn out, lost,

stolen, destroyed, or, in the opinion of the Lessor or the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being hereinafter called Casualty Occurrences) during the term of this Lease, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice, the Lessee shall pay to the Lessor the rental payment due and payable on such date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit.

The Casualty Value of each Unit as of any rental payment date shall be that percentage of the Purchase Price of such Unit as is set forth in the following schedule opposite the number of such rental payment date:

Payment No.	Percentage	Payment No.	Percentage
1	101.13212%	16	66.16016%
2	100.88147	17	62.64868
3	100.21438	18	59.06558
4	99.11452	19	55.40981
5	97.56434	20	51.68054
6	95.70197	21	47.87669
7	93.58686	22	43.99742
8	91.21419	23	40.04166
9	88.57882	24	36.00857
10	88.05927	25	31.89708
11	84.96483	26	27.70635
12	81.82342	27	23.43532
13	78.61467	28	19.08315
14	75.34862	29	17.04158
15	69.60087	30 and thereafter	15.10101

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times while this Lease is in effect, at its own expense, cause to be carried and maintained insurance in respect of the Units at the time subject hereto, and public liability insurance, in amounts and against risks customarily insured against by railroad companies on similar equipment, and in any event in amounts and against risks comparable to those insured against by the Lessee on equipment owned by it and the benefits thereof shall be payable as provided in the Security Documents. Any net insurance proceeds as the result of insurance carried by the Lessee received by the Lessor in respect of Units suffering a Casualty Occurrence shall be deducted from the amounts payable by the Lessee to the Lessor in respect of Casualty Occurrences pursuant to this § 7. If the Lessor shall receive any such net insurance proceeds or condemnation payments after the Lessee shall have made payments pursuant to this § 7 without deduction for such net insurance proceeds or such condemnation payments, the Lessor shall pay such proceeds to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee and any balance of such proceeds shall remain the property of the Lessor.

§ 8. *Annual Reports.* § 8 of the Model Lease Provisions is herein incorporated as § 8 hereof.

§ 9. *Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; and Indemnification.* § 9 of the Model Lease Provisions is herein incorporated as § 9 hereof.

§ 10. *Default.* If, during the continuance of this Lease, one or more of the following events (each such event being hereinafter sometimes called an Event of Default) shall occur:

A. default shall be made in payment of any part of the rental provided in § 3 hereof or in § 3 of the Lease dated the date hereof between the Lessee and Merchants Bancorp, Inc. or of the Lease dated the date hereof between the Lessee and Orwig and Company, Inc. (such leases being hereinafter called the Other Leases) and such default shall continue for ten days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or either of the Other Leases or of possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in either of the Other Leases or in the Security Documents and such default shall continue for 30 days after written notice from the Lessor to the Lessee specifying the default and demanding that the same be remedied;

D. any proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder or under the Security Documents under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Security Documents), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee

under this Lease and under the Security Documents shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

E. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Security Documents and this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall

remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on a basis of a 6% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental, and (iii) an amount which, after deduction of all taxes required to be paid by the Lessor in respect

of the receipt thereof under the laws of the United States of America or any political subdivision thereof, calculated on the assumption that the Lessor's Federal, state and local taxes computed by reference to net income or excess profits are based on a 48% effective Federal tax rate and the highest effective state and local income tax and/or excess profit tax rates generally applicable to or imposed upon corporations incorporated under the laws of the State of Missouri, including therein the effect of any applicable surtax, surcharge and/or other tax or charge related thereto, and deducting from any such Federal tax 48% of the amount of any such state and local tax (such rates as so calculated being hereinafter in this Agreement called the Assumed Rates), shall be equal to such sum as, in the reasonable opinion of the Lessor, will cause the Lessor's net return (taxes being calculated at the Assumed Rates) under this Lease to be equal to the net return (taxes being calculated at the Assumed Rates) that would have been available to the Lessor if it had been entitled to utilization of all or such portion of the amortization deduction with respect to a Unit provided for in Section 184 of the Internal Revenue Code, as amended (hereafter called the Rapid Amortization Deduction) which was lost, not claimed, not available for claim, disallowed or recaptured in respect of a Unit as a result of the termination of this Lease, the Lessee's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default.

Anything in this § 10 to the contrary notwithstanding, any default in the observance or performance of any covenant, condition or agreement on the part of the Lessee which results solely in the loss by the Lessor of, or the loss by the Lessor of the right to claim, or the disallowance with

respect to the Lessor of, or the recapture of, all or any portion of the Rapid Amortization Deduction available to non-railroad lessors of railroad equipment shall be for all purposes of this Lease deemed to be cured if the Lessee shall, on or before the next rental payment date after written notice from the Lessor of the loss, or the loss of the right to claim, or the disallowance of or the recapture of the Rapid Amortization Deduction in respect of such Unit, agree to pay to the Lessor the revised rental rate in respect of such Unit determined as provided in the second paragraph of § 17 hereof.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 11. *Return of Units Upon Default.* § 11 of the Model Lease Provisions is herein incorporated as § 11 hereof.

§ 12. *Assignment; Possession and Use.* § 12 of the Model Lease Provisions is herein incorporated as § 12 hereof.

§ 13. *Purchase Option.* Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the

Lessor not less than six months prior to the end of the term of this Lease, elect to purchase all, but not fewer than all, the Units covered by this Lease at the end of such term of this Lease for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term.

Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing buyer-user (other than (i) a lessee currently in possession and (ii) a used equipment dealer) and an informed and willing seller under no compulsion to sell and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value of the Units, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee.

Upon payment of the purchase price, the Lessor shall upon request of the Lessee execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without representations or warranties except that such Units are free and clear of all claims, liens, security interests and other encumbrances by or in favor of any person claiming by, through or under the Lessor) for such Units, and such

other documents as may be required to release such Units from the terms and scope of this Lease and to transfer title thereto to the Lessee or such assignee or nominee, in such form as may reasonably be requested by the Lessee, all at the Lessee's expense.

§ 14. *Return of Units upon Expiration of Term.* § 14 of the Model Lease Provisions is herein incorporated as § 14 hereof.

§ 15. *Opinion of Counsel.* § 15 of the Model Lease Provisions is herein incorporated as § 15 hereof.

§ 16. *Recording; Expenses.* § 16 of the Model Lease Provisions is herein incorporated as § 16 hereof.

§ 17. *Federal Income Taxes.* The Lessor, as the owner of the Units, shall be entitled to such deductions, credits and other benefits as are provided by the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Code), to an owner of property, including (without limitation) an allowance for the Rapid Amortization Deduction (as defined in § 10 of this Lease), with respect to the Units.

Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time take any action or file any returns or other documents inconsistent with the foregoing and that each of such corporations will file such returns, take such action and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent thereof. Lessee agrees to keep and make available for inspection and copying by Lessor such records as will enable Lessor to determine whether it is entitled to the full benefit of the Rapid Amortization Deduction with respect to the Units.

The Lessee represents, agrees and warrants that (i) at the time the Lessor becomes the owner of the Units for purposes of section 184 of the Code and at all times there-

after during the term of this Lease, the Units will be "rolling stock of the type used by a common carrier engaged in the furnishing or sale of transportation by railroad and subject to the jurisdiction of the Interstate Commerce Commission" within the meaning of section 184(d) of the Code, (ii) at the time the Lessor becomes the owner of the Units for purposes of section 184 of the Code the Units will not have been used by any person so as to preclude "the original use of such rolling stock" within the meaning of section 184 of the Code from commencing with the Lessor and no investment credit, depreciation or other tax benefits will have been claimed by any person with respect thereto, (iii) the Lessee is as of the date hereof and will be at all times during the term of this Lease "a domestic common carrier by railroad" within the meaning of section 184(d)(1)(A) of the Code, and (iv) during the term of this Lease, each Unit will, within the meaning of section 184(d)(1)(A) of the Code, solely be "used by a domestic common carrier by railroad on a full-time basis, or on a part-time basis if its only additional use is an incidental use by a Canadian or Mexican common carrier by railroad on a per diem basis."

If the Lessor shall lose, or shall not have or shall lose the right to claim, or there shall be disallowed with respect to the Lessor, or the Lessor shall be required to recapture, all or any portion of the Rapid Amortization Deduction with respect to any Unit the rental rate applicable to such Unit set forth in § 3 of this Lease shall, on and after the next succeeding rental payment date after written notice to the Lessee by the Lessor that such Rapid Amortization Deduction has not been claimed, or if claimed and then disallowed or recaptured on and after the next succeeding rental date after payment of the tax attributable thereto, be increased by such amount for such Unit which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States of America or any political subdivision thereof (calculated at the Assumed Rates as defined in § 10 hereof),

in the reasonable opinion of the Lessor, will cause the Lessor's net return over the term of the Lease (taxes being calculated at the Assumed Rates) in respect of such Unit under this Lease to equal the net return (taxes being calculated at the Assumed Rates) that would have been available if the Lessor had been entitled to utilization of all or such portion of the Rapid Amortization Deduction which was not claimed or was disallowed or was recaptured and the Lessee shall forthwith pay to the Lessor the amount of any interest which may be assessed by the United States against the Lessor attributable to the loss or recapture of all or any portion of the Rapid Amortization Deduction; *provided, however*, that such rental rate shall not be so increased if the Lessor shall have lost, or shall not have, or shall have lost the right to claim, or if there shall have been disallowed with respect to the Lessor, all or any portion of such Rapid Amortization Deduction with respect to such Unit as a direct result of the occurrence of any of the following events:

(i) a Casualty Occurrence with respect to such Unit, if the Lessee shall have paid to the Lessor the amounts stipulated under § 7 hereof;

(ii) a voluntary transfer by the Lessor of legal title to such Unit, the disposition by the Lessor of any interest in such Unit or the reduction by the Lessor of its interest in the rentals from such Unit under the Lease, unless, in each case, an Event of Default shall have occurred and be continuing;

(iii) the amendment of the Security Documents without the prior written consent of the Lessee;

(iv) the failure of the Lessor to claim such Rapid Amortization Deduction in its income tax return for the appropriate year or the failure of the Lessor to follow proper procedure in claiming such Deduction; or

(v) the failure of the Lessor to have sufficient income to benefit from the Rapid Amortization Deduction.

The Lessor agrees that if, in the opinion of independent tax counsel selected by the Lessor and acceptable to the Lessee (herein referred to as Counsel), a bona fide claim to all or a portion of the Rapid Amortization Deduction on any Unit exists in respect of which the Lessee is required to pay increased rental and interest as aforesaid to the Lessor as above provided, the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by Counsel in order to sustain such claim. The Lessor may take such action prior to making payment of the amounts claimed pursuant to a notice of disallowance or may make such payment and then sue for a refund. In the latter event, if the final determination shall be adverse to the Lessor, the Lessee shall pay to Lessor interest on the amount of the tax paid attributable to the Rapid Amortization Deduction disallowed, computed at the rate of $8\frac{1}{2}\%$ per annum from the date of payment of such tax to the date the Lessee shall reimburse the Lessor in accordance with the provisions of this § 17. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested.

If the Lessor's right to claim all or any part of the ~~final~~ ^{final} Rapid Amortization Deduction with respect to a Unit, which was not claimed or was disallowed, shall be established by the final judgment or decree of the court or administrative agency having jurisdiction thereof, on the next succeeding Rental Payment Date after such judgment or decree shall have become final the rental rate in respect of such Unit set forth in § 3 of this Lease shall again become applicable to such Unit and the Lessor shall forthwith upon demand of the Lessee reimburse Lessee in an amount equal to the excess, if any, of (i) the sum of (A) the difference between the increased rental paid by the Lessee with respect to such Unit pursuant to the fourth paragraph of this § 17 and the rental rate applicable to such Unit pursuant to § 3

of this Lease and (B) any interest paid by the Lessee to the Lessor pursuant to the next preceding paragraph of this § 17 over (ii) the difference between (A) an amount equal to interest at the rate of $8\frac{1}{2}\%$ per annum on the amount of any federal income tax paid by the Lessor on account of the disallowance or inability to claim the Rapid Amortization Deduction on said Unit and (B) the amount of any interest to which the Lessor would be entitled in connection with the refunds of any tax paid on account of such disallowance or inability to claim; *provided, however*, that if the amount calculated in accordance with clause (ii) ~~partly~~ exceeds the amount calculated in accordance with clause (i), the Lessee shall pay such excess to the Lessor promptly on demand.

The Lessee's agreement to pay any sums which may become payable pursuant to this § 17 shall survive the expiration or other termination of this Lease.

§ 18. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to 10% per annum of the overdue rentals for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 19. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States certified mails, first-class postage prepaid, addressed as follows:

(a) if to the Lessor, at Walnut and Sixth Streets, Kansas City, Missouri 64106, Attention: William Schultz, President; and

(b) if to the Lessee, at 210 North Thirteenth Street, St. Louis, Missouri 63103,

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 20. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

§ 21. *Execution.* This Lease may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument. Although this Lease is dated as of March 1, 1971, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 22. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Missouri, *provided, however*, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the parties hereto have executed
or caused this instrument to be executed as of the date first
above written.

LEASE TRANSACTIONS**

ARTICLE 2. *Construction and Sale.* Pursuant to this Agreement, the Builder shall construct the Equipment at its plant set forth in Annex B hereto, and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for (as hereinafter provided), the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing between the Builder, the Vendee and the Guarantor (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture of each thereof, to all Department of Transportation and Interstate Commerce Commission requirements and specifications for new equipment and to all standards recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such units of the Equipment, and each unit of the Equipment (except to the extent, if any, referred to in Annex A hereto and/or Article 7 hereof) will be new railroad equipment.

ARTICLE 3. *Inspection and Delivery.* The Builder will deliver the units of the Equipment to the Vendee at the place or places within the United States of America specified in Annex B hereto (or if Annex B does not specify a place or places, at the place or places within the United States of America designated from time to time by the Vendee), freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex B hereto.

The Builder's obligation as to time of delivery is subject, however, to delays resulting from causes beyond the Builder's reasonable control, including but not limited to acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

Notwithstanding the preceding provisions of this Article 3, any Equipment not delivered, accepted and settled for pursuant to Article 4 hereof on or before the Cut-Off Date shall be excluded herefrom. If any Equipment shall be excluded from this Agreement pursuant to the immediately preceding sentence, the parties to this Agreement shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom. If the Builder's failure to deliver Equipment so excluded from this Agreement resulted from one or more of the causes set forth in the immediately preceding paragraph, the Guarantor shall be obligated to accept such Equipment and pay the full purchase price therefor, determined as provided in this Agreement, if and when such Equipment shall be completed and delivered by the Builder, such payment to be in cash on the delivery of such Equipment, either directly or, in case the Guarantor shall arrange therefor, by means of a conditional sale agreement, equipment trust or such other appropriate method of financing as the Guarantor shall determine and as shall be reasonably acceptable to the Builder.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Guarantor) and the Builder shall grant to such authorized inspectors reason-

able access to its plant. The Builder agrees to inspect all materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Upon completion of each unit or of a number of units of the Equipment, such unit or units shall be presented to an inspector of the Vendee for inspection at the place specified for delivery of such unit or units, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Guarantor) shall execute and deliver to the Builder a certificate of acceptance (hereinafter called the Certificate of Acceptance) stating that such unit or units have been inspected and accepted on behalf of the Vendee on the date of such Certificate of Acceptance and are marked in accordance with Article 10 hereof; *provided, however*, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof.

On delivery of each such unit hereunder at the place specified for delivery, the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; *provided, however*, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 14 hereof. The Builder and the Guarantor represent and warrant to, and agree with, the Vendee that no unit of the Equipment will be delivered to or used by the Guarantor or any other persons unless the same shall first be duly subjected to this Agreement and the Lease.

ARTICLE 5. *Title to the Equipment.* The Vendor shall and hereby does retain the full security title to and property in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and

performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Guarantor as provided in this Agreement. Any and all additions to the Equipment (except, in the case of any unit of the Equipment which is a locomotive, communications, signal and automatic control equipment or devices having a similar use which have been added to such unit by the Guarantor, the cost of which is not included in the Purchase Price of such unit and which are not required for the operation or use of such unit by the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body), and any and all parts installed on and additions and replacements made to any unit of the Equipment shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Purchase Price of the Equipment, together with interest and all other payments as herein provided, and all the Vendee's obligations herein contained shall have been performed, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment transferring its title thereto and property therein to the Vendee, or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee at its address referred to in Article 22

hereof, (b) execute and deliver at the same place, for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 hereof and not theretofore applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 6. *Taxes.* All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, federal or foreign taxes (other than net income taxes, gross receipts taxes [except gross receipts taxes in the nature of or in lieu of sales, use or rental taxes], franchise taxes measured by net income based upon such receipts, excess profits taxes and similar taxes) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, all of which impositions the Vendee assumes and agrees to pay on demand in addition to

the Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom or upon the Vendor solely by reason of its ownership thereof and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the title of the Vendor or result in a lien upon any part of the Equipment; *provided, however*, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the title, property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; *provided, however*, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved the payment thereof.

ARTICLE 9. *Reports and Inspections.* On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 120 days from the date of this Agreement, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence during the preceding cal-

endar year (or since the date of this Agreement in the case of the first such statement) and such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 10 hereof have been preserved or replaced. The Vendor shall have the right, by its agents, to inspect the Equipment and the Guarantor's records with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 10. *Marking of Equipment.* The Vendee will cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Annex B hereto, or, in the case of Equipment not there listed, such identifying number as shall be set forth in any amendment or supplement hereto extending this Agreement to cover such Equipment, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the name of the Vendor followed by the words "Agent, Security Owner" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's title to and property in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such name and words shall have been so marked on both sides thereof and will replace or will cause to be replaced promptly any such name and words which may be removed, defaced or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which state-

ment previously shall have been filed with the Vendor and filed, recorded and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; *provided, however*, that the Vendee may allow the Equipment to be lettered with the names or initials or other insignia customarily used by the Guarantor or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of the rights of the Guarantor or its affiliates to use the Equipment as permitted under the Lease.

ARTICLE 11. *Compliance with Laws and Rules.* During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all laws of the jurisdictions in which its or such lessees' operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration of any unit of the Equipment, or in the event that any equipment or appliance on any such unit shall be required to be changed or replaced, or in the

event that any additional or other equipment or appliance is required to be installed on any such unit in order to comply with such laws or rules, the Vendee will make such alterations, changes, replacements and additions at its own expense; *provided, however*, that the Vendee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 12. *Possession and Use.* The Vendee, so long as it shall not be in default under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The Vendee may lease the Equipment to the Lessee as permitted by, and for use as provided in, the Lease, but the rights of the Lessee and its permitted assigns (the Lessee hereby so acknowledging) under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement; *provided, however*, that so long as the Lessee shall not be in default under the Lease or under this Agreement in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Equipment. The Vendee hereby agrees that it will not exercise any of the remedies permitted in the case of an Event of Default under and as defined in the Lease until the Vendor shall have received notice in writing of its intended exercise thereof, and hereby further agrees to furnish to the Vendor copies of all summonses, writs, processes and other documents served by it upon the Lessee or served by the Lessee upon it in connection therewith.

possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee or the Guarantor any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 17 expressly provided, and may remove the same from possession and use of the Vendee, the Lessee or any other person and for such purpose may enter upon the premises of the Vendee or the Guarantor or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee or the Guarantor, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points on the lines or premises of the Guarantor for the delivery of the Equipment to the Vendor, the Guarantor shall (subject to the rights of the Lessee set forth in Article 12 hereof), at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points on its lines and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Guarantor until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Guarantor agrees to furnish, without charge for rent or storage, the necessary facilities at any point or points selected by the Vendor reasonably convenient to the Guarantor. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee and/or the Guarantor requiring specific performance hereof. The Vendee and the Guarantor here-

by expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 17 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Guarantor by telegram or registered mail, addressed as provided in Article 22 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee and the Guarantor may be retained by the Vendor as compensation for the use of the Equipment; *provided, however*, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; *provided, further*, that if the Vendee, the Guarantor or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor

may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 17.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Guarantor and any other persons to whom the law may require notice of the time and place, may, subject to the rights of the Lessee set forth in Article 12 hereof, sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Guarantor or any other party claiming from, through or under the Vendee or the Guarantor at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing,

regulatory body)), and any and all parts installed on and additions and replacements made to any Unit shall constitute accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free from any lien, charge, security interest or encumbrance (except for those created by the Security Documents) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of the Security Documents or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 16 of this Lease. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the termination of this Lease.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 11. *Return of Units Upon Default.* If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time

while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns (including the partners or any beneficiary of any such assignee if such assignee is a partnership or a trust, respectively). Whenever the term Lessor is used in this Lease it shall apply and refer to each such assignee of the Lessor.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Documents, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises.

The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Documents; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Documents) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will

not, upon the effectiveness of such merger or consolidation, be in default under any provision of this Lease.

§ 14. *Return of Units upon Expiration of Term.* As soon as practicable on or after the expiration of the term of this Lease with respect to any Unit, the Lessee will (unless the Unit is sold to the Lessee), at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate, or, in the absence of such designation, as the Lessor may select, and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor; the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If Lessor shall elect to abandon any Unit which has suffered a Casualty Occur-

rence or which after the expiration of this Lease the Lessor shall have deemed to have suffered a Casualty Occurrence, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 7 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence while this Lease is in effect.

§ 15. *Opinion of Counsel.* On each Closing Date (as defined in the Security Documents), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same) with adequate corporate power to enter into the Security Documents and this Lease;

B. the Security Documents and this Lease have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements of the Lessee, enforceable in accordance with their respective terms;

possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee or the Guarantor any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 17 expressly provided, and may remove the same from possession and use of the Vendee, the Lessee or any other person and for such purpose may enter upon the premises of the Vendee or the Guarantor or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee or the Guarantor, with or without process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points on the lines or premises of the Guarantor for the delivery of the Equipment to the Vendor, the Guarantor shall (subject to the rights of the Lessee set forth in Article 12 hereof), at its own expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points on its lines and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment on any of the lines or premises of the Guarantor until the Vendor shall have leased, sold or otherwise disposed of the same, and for such purpose the Guarantor agrees to furnish, without charge for rent or storage, the necessary facilities at any point or points selected by the Vendor reasonably convenient to the Guarantor. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee and/or the Guarantor requiring specific performance hereof. The Vendee and the Guarantor here-

by expressly waive any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 17 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire indebtedness in respect of the Purchase Price of the Equipment and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Guarantor by telegram or registered mail, addressed as provided in Article 22 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee and the Guarantor may be retained by the Vendor as compensation for the use of the Equipment; *provided, however*, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; *provided, further*, that if the Vendee, the Guarantor or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor

may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall have given no notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 17.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Guarantor and any other persons to whom the law may require notice of the time and place, may, subject to the rights of the Lessee set forth in Article 12 hereof, sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Guarantor or any other party claiming from, through or under the Vendee or the Guarantor at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; *provided, however*, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the indebtedness in respect of the Purchase Price of the Equipment, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing,

regulatory body), and any and all parts installed on and additions and replacements made to any Unit shall constitute accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free from any lien, charge, security interest or encumbrance (except for those created by the Security Documents) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of the Security Documents or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 16 of this Lease. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the termination of this Lease.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 11. *Return of Units Upon Default.* If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time

while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns (including the partners or any beneficiary of any such assignee if such assignee is a partnership or a trust, respectively). Whenever the term Lessor is used in this Lease it shall apply and refer to each such assignee of the Lessor.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Documents, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises.

The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Documents; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Documents) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will

not, upon the effectiveness of such merger or consolidation, be in default under any provision of this Lease.

§ 14. *Return of Units upon Expiration of Term.* As soon as practicable on or after the expiration of the term of this Lease with respect to any Unit, the Lessee will (unless the Unit is sold to the Lessee), at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate, or, in the absence of such designation, as the Lessor may select, and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor; the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If Lessor shall elect to abandon any Unit which has suffered a Casualty Occur-

rence or which after the expiration of this Lease the Lessor shall have deemed to have suffered a Casualty Occurrence, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 7 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence while this Lease is in effect.

§ 15. *Opinion of Counsel.* On each Closing Date (as defined in the Security Documents), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same) with adequate corporate power to enter into the Security Documents and this Lease;

B. the Security Documents and this Lease have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements of the Lessee, enforceable in accordance with their respective terms;

C. the Security Documents (and the assignment thereof to the Vendor) and this Lease have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor or the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documents or this Lease;

E. the entering into and performance of the Security Documents or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Vendor's or Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units.

§ 16. *Recording; Expenses.* The Lessee will cause this Lease, the Security Documents and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of

the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documents and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documents or the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documents shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessee will pay the reasonable costs and expenses involved in the preparation and printing of this Lease. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

**MODEL ASSIGNMENT PROVISIONS FOR
LEASE TRANSACTIONS**

SECTION 3. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Vendee in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Vendee that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that title to such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement); and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Vendee and the Guarantor thereunder. The Builder will not deliver any of the Equipment to the Vendee under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed and recorded in accordance with Section 20c of the Interstate Commerce Act (the Builder and its counsel being entitled to rely on

advice from special counsel for the Assignee or from the Guarantor that such filing and recordation have occurred).

SECTION 4. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any instalment of, or interest on, indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever claimed by the Vendee or the Guarantor arising out of a breach by the Builder of any obligation with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Guarantor by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 15 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Vendee or the Guarantor in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Vendee or the Guarantor and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Vendee or the Guarantor and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Assignee will give notice to the Builder of any claim actually known to the Assignee which is based upon any such alleged infringement and will give the Builder the right, at the Builder's expense, to compromise, settle or defend against such claim. The Builder agrees that any amounts payable to it by the Vendee or the Guarantor with respect to the Equipment, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien, charge or security interest upon the Equipment or any unit thereof.

SECTION 6. The Assignee, on each Closing Date fixed as provided in Article 4 of the Conditional Sale Agreement with respect to the Equipment, shall pay to the Builder an amount equal to the portion of the purchase price thereof which, under the terms of said Article 4, is payable in instalments, provided that there shall have been delivered to the Assignee (with an executed counterpart to the Vendee), as provided in Article 15 of the Conditional Sale Agreement and at least five business days prior to such Closing Date,

regulatory body), and any and all parts installed on and additions and replacements made to any Unit shall constitute accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free from any lien, charge, security interest or encumbrance (except for those created by the Security Documents) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of the Security Documents or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 16 of this Lease. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the termination of this Lease.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 11. *Return of Units Upon Default.* If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time

while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns (including the partners or any beneficiary of any such assignee if such assignee is a partnership or a trust, respectively). Whenever the term Lessor is used in this Lease it shall apply and refer to each such assignee of the Lessor.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Documents, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or encumbrance which arises.

The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease or under the Security Documents in its capacity as Guarantor or otherwise, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease and the Security Documents; *provided, however*, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Documents) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will

not, upon the effectiveness of such merger or consolidation, be in default under any provision of this Lease.

§ 14. *Return of Units upon Expiration of Term.* As soon as practicable on or after the expiration of the term of this Lease with respect to any Unit, the Lessee will (unless the Unit is sold to the Lessee), at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may designate, or, in the absence of such designation, as the Lessor may select, and permit the Lessor to store such Unit on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor; the movement and storage of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. If Lessor shall elect to abandon any Unit which has suffered a Casualty Occur-

rence or which after the expiration of this Lease the Lessor shall have deemed to have suffered a Casualty Occurrence, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 7 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence while this Lease is in effect.

§ 15. *Opinion of Counsel.* On each Closing Date (as defined in the Security Documents), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same) with adequate corporate power to enter into the Security Documents and this Lease;

B. the Security Documents and this Lease have been duly authorized, executed and delivered by the Lessee and constitute valid, legal and binding agreements of the Lessee, enforceable in accordance with their respective terms;

C. the Security Documents (and the assignment thereof to the Vendor) and this Lease have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and such filing and recordation will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor or the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documents or this Lease;

E. the entering into and performance of the Security Documents or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Vendor's or Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units.

§ 16. *Recording; Expenses.* The Lessee will cause this Lease, the Security Documents and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of

the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documents and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documents or the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documents shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

The Lessee will pay the reasonable costs and expenses involved in the preparation and printing of this Lease. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

**MODEL ASSIGNMENT PROVISIONS FOR
LEASE TRANSACTIONS**

SECTION 3. The Builder agrees that it shall construct the Equipment in full accordance with the Conditional Sale Agreement and will deliver the same upon completion to the Vendee in accordance with the provisions of the Conditional Sale Agreement; and that, notwithstanding this Assignment, it will perform and fully comply with each of and all the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by the Builder. The Builder further agrees that it will warrant to the Assignee and the Vendee that at the time of delivery of each unit of the Equipment under the Conditional Sale Agreement it had legal title to such unit and good and lawful right to sell such unit and that title to such unit was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement); and the Builder further agrees that it will defend the title to such unit against the demands of all persons whomsoever based on claims originating prior to the delivery of such unit by the Builder under the Conditional Sale Agreement; all *subject, however*, to the provisions of the Conditional Sale Agreement and the rights of the Vendee and the Guarantor thereunder. The Builder will not deliver any of the Equipment to the Vendee under the Conditional Sale Agreement until the Conditional Sale Agreement and the Lease have been filed and recorded in accordance with Section 20c of the Interstate Commerce Act (the Builder and its counsel being entitled to rely on

advice from special counsel for the Assignee or from the Guarantor that such filing and recordation have occurred).

SECTION 4. The Builder agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any instalment of, or interest on, indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment or to enforce any provision of the Conditional Sale Agreement, the Builder will indemnify, protect and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim or recoupment whatsoever claimed by the Vendee or the Guarantor arising out of a breach by the Builder of any obligation with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or by reason of any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Guarantor by the Builder. The Builder's obligation so to indemnify, protect and hold harmless the Assignee is conditional upon (a) the Assignee's timely motion or other appropriate action, on the basis of Article 15 of the Conditional Sale Agreement, to strike any defense, setoff, counterclaim or recoupment asserted by the Vendee or the Guarantor in any such suit, proceeding or action and (b) if the court or other body having jurisdiction in such suit, proceeding or action denies such motion or other action and accepts such defense, setoff, counterclaim or recoupment as a triable issue in such suit, proceeding or action, the Assignee's prompt notification to the Builder of the asserted defense, setoff, counterclaim or recoupment and the Assignee's giving the Builder the right, at the Builder's expense, to compromise, settle or defend against such defense, setoff, counterclaim or recoupment.

Except in cases of articles or materials specified by the Vendee or the Guarantor and not manufactured by the Builder and in cases of designs, systems, processes, formulae or combinations specified by the Vendee or the Guarantor and not developed or purported to be developed by the Builder, the Builder agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. The Assignee will give notice to the Builder of any claim actually known to the Assignee which is based upon any such alleged infringement and will give the Builder the right, at the Builder's expense, to compromise, settle or defend against such claim. The Builder agrees that any amounts payable to it by the Vendee or the Guarantor with respect to the Equipment, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien, charge or security interest upon the Equipment or any unit thereof.

SECTION 6. The Assignee, on each Closing Date fixed as provided in Article 4 of the Conditional Sale Agreement with respect to the Equipment, shall pay to the Builder an amount equal to the portion of the purchase price thereof which, under the terms of said Article 4, is payable in instalments, provided that there shall have been delivered to the Assignee (with an executed counterpart to the Vendee), as provided in Article 15 of the Conditional Sale Agreement and at least five business days prior to such Closing Date,

the following documents, in form and substance satisfactory to it and to its special counsel hereinafter mentioned, in such number of counterparts as may be reasonably requested by said special counsel:

(a) A bill of sale from the Builder to the Assignee transferring to the Assignee title to the units of the Equipment then being settled for under the Conditional Sale Agreement, warranting to the Assignee and to the Vendee that, at the time of delivery of such units under the Conditional Sale Agreement, the Builder had legal title to such units and good and lawful right to sell such units and that title to such units was free of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease, and covenanting to defend the title to such units against the demands of all persons whomsoever based on claims originating prior to the delivery of such units by the Builder under the Conditional Sale Agreement;

(b) A Certificate or Certificates of Acceptance with respect to the units of the Equipment as contemplated by Article 3 of the Conditional Sale Agreement and a Certificate or Certificates of Delivery with respect to such units as contemplated by § 2 of the Lease;

(c) A certificate of an officer of the Guarantor to the effect that none of the units of the Equipment was placed in the service of the Guarantor or otherwise was used by the Guarantor prior to delivery and acceptance of such units under the Conditional Sale Agreement and the Lease;

(d) An invoice of the Builder addressed to the Assignee for the units of the Equipment accompanied by or having endorsed thereon a certification by the Vendee and the Guarantor as to the correctness of the prices of such units;

(e) An opinion of Messrs. Cravath, Swaine & Moore, who are acting as special counsel for the Assignee and the Investors named in the Finance Agreement, dated as of such Closing Date, addressed to the Assignee and the Investors stating that (i) the Finance Agreement, assuming due authorization, execution and delivery by such Investors, has been duly authorized, executed and delivered and is a legal, valid and binding instrument, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument enforceable in accordance with its terms, (iii) this Assignment has been duly authorized, executed and delivered by the respective parties thereto and is a legal, valid and binding instrument, (iv) the Assignee is vested with all the rights, titles, interests, powers and privileges purported to be assigned to it by this Assignment, (v) security title to the units of the Equipment is validly vested in the Assignee and such units, at the time of delivery thereof to the Vendee under the Conditional Sale Agreement, were free from all claims, liens, security interests and other encumbrances (other than those created by the Conditional Sale Agreement and the rights of the Guarantor under the Lease), (vi) no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the valid execution and delivery of the Finance Agreement, the Conditional Sale Agreement or this As-

signment, or if any such authority is necessary, it has been obtained, (vii) the Conditional Sale Agreement and this Assignment have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and no other filing or recordation is necessary for the protection of the rights of the Assignee in any state of the United States of America or in the District of Columbia and (viii) registration of the Conditional Sale Agreement, this Assignment or the certificates of interest delivered pursuant to the Finance Agreement is not required under the Securities Act of 1933, as amended, and qualification of an indenture with respect thereto is not required under the Trust Indenture Act of 1939, as amended; and such opinion shall also cover such other matters as may reasonably be requested by the Assignee or such Investors;

(f) An opinion of counsel for the Vendee or the beneficial owner of the Equipment, dated as of such Closing Date, stating that the Conditional Sale Agreement and the Lease have been duly authorized, executed and delivered by the Vendee and are legal and valid instruments binding upon the Vendee and enforceable against the Vendee in accordance with their terms;

(g) An opinion of counsel for the Guarantor, dated as of such Closing Date and addressed to the Vendee as well as the Assignee, to the effect set forth in clauses (i), (ii), (iii), (v), (vi) and (vii) of subparagraph (e) above and stating that the Guarantor is a duly organized and existing corporation in good standing under the laws of the jurisdiction of its incorporation and has the power and authority to own its properties and to carry on its business as now conducted;

(h) An opinion of counsel for the Builder, dated as of such Closing Date, to the effect set forth in clauses (iv) and (v) of subparagraph (e) above and stating that (i) the Builder is a duly organized and existing corporation in good standing under the laws of its jurisdiction of incorporation and has the power and authority to own its properties and to carry on its business as now conducted, (ii) the Conditional Sale Agreement has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder and enforceable against the Builder in accordance with its terms, and (iii) this Assignment has been duly authorized, executed and delivered by the Builder and is a legal and valid instrument binding upon the Builder; and

(i) A receipt from the Builder for any payment (other than the payment being made by the Assignee pursuant to the first paragraph of this Section 6) required to be made on such Closing Date to the Builder with respect to the Equipment, unless such payment is made by the Assignee with funds furnished to it for that purpose by the Vendee.

In giving the opinions specified in subparagraphs (e), (f), (g) and (h) of this Section 6, counsel may qualify any opinion to the effect that any agreement is a legal, valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in said subparagraphs (e) and (f), counsel may rely (i) as to authorization, execution and delivery by the Builder of the documents executed by the Builder

and title to the Equipment at the time of delivery thereof under the Conditional Sale Agreement, on the opinion of counsel for the Builder and (ii) to the extent appropriate, as to any matter governed by the law of any jurisdiction other than New York or the United States, on the opinion of counsel for the Builder or the opinion of counsel for the Guarantor as to such matter.

The obligation of the Assignee hereunder to make payment for any of the Equipment assigned hereunder is hereby expressly conditioned upon the Agent having on deposit, pursuant to the terms of the Finance Agreement, sufficient funds available to make such payment and upon payment by the Vendee of the amount required to be paid by it pursuant to subparagraph (a) of the third paragraph of Article 4 of the Conditional Sale Agreement. The Assignee shall not be obligated to make any above-mentioned payment at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement would constitute an event of default, shall be subsisting under the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to the Builder, without recourse to the Assignee, all right, title and interest of the Assignee in and to the units of the Equipment with respect to which payment has not been made by the Assignee.

It is understood and agreed that the Assignee shall not be required to make any payment with respect to, and shall have no right or interest in, any Equipment excluded from the Conditional Sale Agreement pursuant to Article 3 thereof.

SECTION 8. The Builder hereby:

(a) represents and warrants to the Assignee, its successors and assigns, that the Conditional Sale Agree-

ment was duly authorized by it and lawfully executed and delivered by it for a valid consideration, that, assuming due authorization, execution and delivery by the Vendee and the Guarantor, the Conditional Sale Agreement is, in so far as the Builder is concerned, a legal, valid and existing agreement binding upon the Builder in accordance with its terms and that it is now in force without amendment thereto:

(b) agrees that it will from time to time and at all times, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary and appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended so to be; and

(c) agrees that, upon request of the Assignee, its successors and assigns, it will execute any and all instruments which may be necessary or proper in order to discharge of record the Conditional Sale Agreement or any other instrument evidencing any interest of the Builder therein or in the Equipment.
